ESCAPE TO A TROPICAL PARADISE

Tropic Seas Spas brings *paradise* to your backyard. Escape to a relaxing retreat and enjoy the ultimate hydrotherapy massage that leaves you feeling refreshed and recharged. Each Tropic Seas Spa has been handcrafted to provide a feature-rich, optimal mix of elegance and functionality. These spas are built with the ideal combination of innovative engineering and energy efficiency.

Sink in, sit back, relax, and enjoy the many features ranging from the sophisticated jet system to the LED lighting. A passion to detail and commitment to the highest standards are evident in all Tropic Seas Spas models.

THE *ULTIMATE* MASSAGE

Tropic Seas' advanced jet design offers an ***amazing hydrotherapy massage***. Each spa comes with a complete therapy system that is comprised of different types and sizes of jets.

Roto jets push water in a right-directional spiral to create a unique water pattern that intensifies your massage. Perfect pressure is provided with Direct jets that range from two to five inches in diameter.

Every seat has an arrangement of jets strategically placed—making the ultimate combination to ***target every major muscle group***.

Control ***your own massage*** by turning jets and air controls for maximum to low pressure.

A large, vertical, close-up photograph of a hot tub's interior. It shows several circular and rectangular jets of varying sizes, some of which are illuminated with a soft blue light. The tub's surface has a textured, sculpted appearance.

HAND-SCULPTED FOR YOUR BODY

ARTISTRY

Tropic Seas Spas combine handcrafted artistry and ergonomic design to create *the ultimate spa* experience. Graphite grey accents highlight the spas' beautifully sculpted lines. Comfortable, ergonomic seats are at varied depths to accommodate different spa users. Dramatic textured seat and floor surfaces provide a sensational massage on your feet and toes.

Sit in the cool-down seat and take advantage of the unique massage nodes that gently caress your back.

AMBIANCE

The peaceful TropicFall provides color therapy and the soothing sounds of falling water — creating a *relaxing environment*.

WATER PURIFICATION OPTIONS

O₃ Infusing Chamber

This system combines the Nature2® option, Microfiltration, a high efficiency Circulation Pump, Ozone and the ProPure™ Mixing Chamber.

Optix AOP™

The Optix AOP™ sanitation lamp is fully serviceable, eliminating the need for AOP unit replacement. Indicator LEDs change colors to provide an alert for the need to replace the UV-C sanitation lamp. The AOP unit utilizes a dedicated Corona Discharge (CD) ozone generator in conjunction with UV-C to provide a highly effective sanitation process.

FROG® @ease™

Tropic Seas Spas brings you the patented In-Line FROG® @ease™ system. This breakthrough system in water-care combines Fresh Mineral Water™ with self-regulating SmartChlor™ Technology.

FEATURES AND UPGRADES

Standard Features

- Warranty:
 - Lifetime Structure^a
 - 5-Year Surface
 - 3-Year Parts, Labor, Plumbing and Electrical
 - 1-Year Cabinet
- 4 in. Maximum Tapered ASTM Cover
- ThermalWrap Insulation System with ABS Bottom
- Ozonator
- Heater Valves
- Digital Control with LCD Color Illuminated Topside
- Heater: 5.5 kW for North America (60 Hz), 3.0 kW for Export (50 Hz)
- 12 in. TropicFall
- TropicStar LED: (3) 2 in. Lights
- Stainless Steel/Graphite Jets
- Maintenance Free Royalwood Cabinet
- 50 sq. ft. Filter
- Pillowfall LED
- Dual Aqua Foot Jets (861L & 859B Model Only)

Optional Features

- Elite Model Upgrade:
 - Circulation System with Microfilter
 - Full Foam Energy Efficiency Package^{**}
 - All Acrylic Colors with the Exception of Oyster Opal
- Stereo Systems (N/A on 531L):
 - 1) Bluetooth® Music Experience
 - Bluetooth Receiver, AM/FM, USB, Auxiliary Input, (4) Speakers, Subwoofer
 - 2) Auxiliary Input & Bluetooth Media Locker
 - Bluetooth Receiver, 3.5 mm Input for MP3 devices, (4) Speakers, Subwoofer
 - Optional (2) 3 in. Patio Speakers
- Water Purification:
 - 1) Optix AOP™
 - 2) O3 Infusing Chamber*
 - 3) FROG® @ease™ w/SmartChlor™+++
 - 4) Nature2® Cartridge*
- Maximum Thermal Tapered ASTM Cover
- Full Foam Energy Efficiency Package^{**}

ELITE MODEL UPGRADE

Includes all acrylic colors, full foam energy efficiency, and circulation package with a microfilter.

Dual Aqua Foot Jets
available on these models:

WAIKIKI Elite
